EXECUTIVE SUMMARY

“Navigating Organization Complexities”

MNB Meridian Defense, Ltd., is a management consultancy specializing in policy and strategy to the government and private sector, legal project management, managed legal services, and security clearance advocacy. As prior senior government and private sector executives and attorneys, we have a distinctive view of government and private sector operations not found elsewhere. How? We developed and implemented government policy at all levels, and started, built, and/or “sunset” government agencies and companies. In short, we understand the unique issues your organization may be facing. **What is OUR secret? ... Communication. Collaboration. Coordination.**

Capability Statement

Internal Audit, Risk, and Compliance

Using CMMI© and ISO© principals combined with PMI© methodology, the Company ensures it clients are complying with federal, state and local statute and regulation. More importantly, we work with companies to certify that our Clients are meeting their own internal policies and procedures. Our proprietary audit and risk management methodologies and assessment techniques safeguard against legal liability, operational efficiency, and profitability.

Managed Legal Services

The Company provides a curated coalition of outsourced attorney, paralegal, eDiscovery, and legal technology experts to organizations needing temporary, or semi-permanent assistance with litigation preparation, routine in-house matters, or short and long-term legal projects. Our expertise is grounded in more than 75-years of experience in the private and public sectors, and as active-duty and reserve military judge advocates handling matters from transactions to securities to tax to corporate to personal injury to federal regulatory law, and matters that appeared on the front-page of major national publications.

Legal Information and Knowledge Management

Our legal information and knowledge management professionals have been designated as Certified Knowledge Managers (CKM) and/or Master Certified Knowledge Managers (MCKM) by the International Knowledge Management Institute (KMI), the #1 global provider of Knowledge Management Certification. Utilizing industry best known practices and personal experience in both the private sector and the federal government, our KM professionals will help your organization more efficiently and effectively capture, share and use information and knowledge by focusing on the collective knowledge of its people, processes, technology, structure and culture.

Legal Project and Legal Process Improvement

Our legal project and process improvement experts have been designated Legal Project (LPP) and Legal Process Improvement (LPIP) Professionals by the leading global accreditation body, the International Institute of Legal Project Management. As accredited legal project managers, and with our help, our Clients seek to improve their margins and profitability while avoiding malpractice issues. Our experts support in-house counsel, law firms, and others who seek improve the routine practices of the practice of law, without impinging on the “art.”

Continuing Legal and Professional Education

The Company provides continuing legal education for attorneys and professional development education for small to mid-sized businesses and law firms. Our continuing legal education instructors are attorneys and legal experts who focus on emerging and boutique areas of the law. Our professional education providers are subject matter experts in their fields and provide practical common-sense instruction on establishing good business and project management practices that work toward financial growth, stability, and profitability.
