

MNB Meridian Defense Team

MNB Meridian Defense is a Woman-owned, SBA-certified Service Disabled Veteran Owned Small Business providing managed legal, litigation, and trial support services, as well as support for eDiscovery, forensic analysis, and case administration. We also provide consulting services for regulatory compliance, knowledge management, legal project management, and legal process improvement.

Our experience, skill and capabilities were earned advising C-Suite executives and Senate-confirmed appointees while serving as C-Suite executives, senior government executives, GS-staff, attorneys, judge advocates, litigators, and as contractors. We are experts at what we do because we've been on the three sides of the deal (buyer, seller, and consultant), and understand there is no one solution to every problem. Our consultancy thrives on the challenge of understanding your organization and what makes it successful, profitable, and engaging.
